## WEDDING HAIR & MAKEUP ARTIST

This is a sample guide for a bride getting married at 1pm.

This bride has 2 bridesmaids and the mother of the bride, who all would like to have their hair and makeup done.

7.00am - Lauren Arrive
7.10am - Bridesmaid hair
7.40am - Bridesmaid hair
8.10am - Mother of the Bride hair
8.40am - Mother of the Bride makeup
9.20am - Bridesmaid makeup
10.00am - Bridesmaid makeup
10.45am - Bride hair and makeup
12.15pm - Everyone ready and touch ups

This guide is to give you a rough idea of how long it takes for each person and service. Obviously this will be adjusted to suit your individual bridal party for your wedding day. If you have more than 4 in your bridal party or need to be ready earlier, I will bring another artist with me. This will be at an extra cost.

I like to ensure that everyone has their hair and makeup finished 45 minutes before you are getting married or have to leave the venue to travel to your wedding. This allows the morning to run smoothly and avoid any rushing.

This may seem like an early start, but I assure you, your wedding morning will go very quickly and we want this to be stress free so you can relax and enjoy every minute with your friends and family around you.
